Learning and Development

The Gateshead SAB will provide a multi-agency learning and development offer to promote a culture of continuous learning to ensure we have a workforce which is knowledgeable and confident in safeguarding adults.

2

Data and Information

The Gateshead SAB will ensure there is a comprehensive dataset and dashboard which includes data from partners. Themes and trends are identified through the data presented and the board will take steps to address these.

3

Prevention of Harm

The Gateshead SAB recognises the need to prevent harm from occurring rather than responding once the harm has occurred.

4

Involvement and Engagement

The Gateshead SAB recognises the importance of working with statutory and non-statutory partners to ensure we have robust systems in place to adequately represent the people who are involved in operational and statutory safeguarding.
